This addendum made as of _____ between “the tenants” and “the landlord or owner” _____. Whereas the landlord or owner is the registered owner or legal representative of the residential condominium unit of Bldg#/Unit# _____ and/or Garage _____ in the Florida Club Condominium Association Inc.

1. **Compliance by Tenant.** The Tenant’s right to use and occupy the Property (including the common elements) shall be subject and subordinate in all respects to provisions of the (i) the by-laws, rules and regulations of the Declaration Establishing a Plan for Condominium Ownership of the Premises (collectively the “Declaration”) and (ii) Powers of Attorney granted to the Board of Managers, leases, agreements, mortgages, renewals, modifications, consolidations, replacements and extension to which the Declaration or the Property are presently or may in the future be subject. The Tenant shall not perform any act, or fail to perform an act, if the performance or failure to perform would be a violation of or default in the Declaration or a document referred to in (ii). The tenant shall not exercise any right or privilege under this Agreement, the performance of which would be a default in or violation of the Declaration or a document referred to in subdivision (ii). The Tenant must promptly execute any certificate(s) that the Landlord requests to show that this Agreement is so subject and subordinate. The Tenant authorizes the Landlord to sign these certificate(s) for the Tenant. The Tenant acknowledges that the Tenant has had the opportunity to read the Declaration, including the by-laws, rules and regulations. The Tenant agrees to observe and be bound by all the terms contained in it which apply to the occupant or user of the Property or a user of the common areas and facilities. The Tenant agrees to observe all of the rules and regulations of the Association and the Board of Managers. The Tenant acknowledges and agrees that failure on his part, the members of his family, guest, visitors and any other person or persons occupying the unit with the consent of the Tenant from time to time, to comply with the Declaration or any document referred to in (ii) shall constitute a material breach of this Agreement and shall entitle any of the Landlord and/or the Board of Directors to apply to a court of competent jurisdiction for eviction of the tenant.

2. **Tenant’s Default Upon:**

- (a) continuing violations by the Tenant of any of his covenants herein;
- (b) failure of the Tenant to pay the rent when due and payable; or
- (c) should the Tenant continue to occupy the unit in contravention of the Declaration, by-laws or rules of the Association and the Board of Managers;
- (d) then and in any such events, as the option of the Landlord, this Agreement shall forthwith cease and determine and the Landlord may thereupon proceed to recover possession of the unit in accordance with the provisions of the law regulation proceedings in cases between landlords and tenants, and when such possession is obtained, the Landlord may, at his option, re-lease the Property at the risk and cost of the defaulting Tenant, whose default in no instance shall release him of the liability for the difference between the rent herein reserved and the rent actually received by the Landlord during the term of this Agreement remaining after such default occurs. The Tenant further agrees with the Landlord that, in case the property shall be abandoned or vacated, the Landlord, in addition to all other rights hereby reserved in this Agreement and at law, shall have the right to enter and re-let the Property as agent of the Tenant, and to receive and apply the rent therefore. Provided that, if the rent hereunder is overdue and Property is vacant, it shall be presumed that the Tenant has vacated or abandoned the Property and the Landlord shall be entitled to take immediate possession thereof.

Owner or Property Manager: print/sign/date, by signing I understand and am willing to comply with the requirements of the Compliance and Default Addendum. Also by signing I confirm that a criminal background report has been completed on the renters who will be occupying my unit, and to the best of my knowledge do not have a criminal record involving any of the following: has not been convicted of a felony involving violence to persons or property, a felony involving possession or sale of a controlled substance or a felony demonstrating dishonesty or moral turpitude (including sex offender or predator). I also confirm that my tenants will comply with such rules and regulations of the Florida Club Condominium Association, Inc.
